

## SCHOOLS IN THE UNITED STATES (US)

In the United States, education is the responsibility of state and local government. American children start school between 5 and 8 and can stop between 16 and 18. It depends on the state.

Every morning, children and students say the Pledge of Allegiance in class, in front of the American flag. They have got their hand on their heart.

### The Pledge Of Allegiance (only at school)

I pledge allegiance to the flag of the United States of America

And to the republic for which it stands

One nation under God, indivisible

With liberty and justice for all

## SCHOOLS IN ENGLAND

In England, education is the responsibility of the government. English children start school between 2 and 3 and can stop at 18. Between 16 and 18, they can have half school / half work.

Every week, children and students go to the gymnasium and listen to the speech of the headmaster.

### God Save The Queen (national)

God save our gracious Queen,

Long live our noble Queen,

God save the Queen !

Send her victorious,

Happy and glorious,

Long to reign over us ;

God save the Queen !

### Voc :

|                      |                        |
|----------------------|------------------------|
| To start ≠ to stop   | To listen to → écouter |
| 1 child → 2 children | With → avec            |
| Between → entre      |                        |
