## "Imagine" John Lennon

Listen to the song and drag and drop the missing lines.

Imagine there's no heaven

---

No hell below us

---

Imagine all the people  
Living for today... Aha-ah...

And no religion, too

Imagine there's no countries

---

Above us only sky

Nothing to kill or die for

---

No need for greed or hunger

Imagine all the people  
Living life in peace... You...

You may say I'm a dreamer

It's easy if you try

But I'm not the only one

---

I hope someday you'll join us

And the world will be as one

Sharing all the world

Imagine no possessions  
I wonder if you can

---

It isn't hard to do

A brotherhood of man

Imagine all the people

... You...
